T2 High Speed Optic Turbines - Model: Sirona T2 Boost – RRP £1,100 ex vat

T2 Slow Speed Contra-Angle

Outstanding ergonomics for the greatest precision. That is what the T2 S-Line instrument series stand for. With its significantly reduced instrument size, slim design, and thus reduced overall weight, the contra-angle handpiece feels well-balanced and perceptibly light in your hand. The instrument is ideally balanced and allows you to work without strain or fatigue, even during longer treatments.

- Considerably shorter, thus improved ergonomics
- Perceptibly lighter thanks to compact size
- Smallest head diameter with Ø 8,7 mm
- Titanium sleeve for a comfortable grip
- 4-nozzle spray (AS 200L) – Single Spray (AS 40L)
- 24 Months Warranty
